

During these trying times, our wineries want to stay connected with you and remind you that we will all get through this together. We know you and your family might be going through many challenges, and hope that we can provide a light (and of course great wine) for you, to hopefully embrace the small pleasures in life. We send our very best to you and your families, and hope you are staying safe and well.

Here is what is happening currently at our wineries:

## VIRTUAL TASTINGS & EXPERIENCES

Many wineries are currently hosting weekly virtual wine tasting sessions on Instagram and Facebook! Check each winery's websites for schedules and details.

## HOME WINE DELIVERIES & SAFE PURCHASE OPTIONS

Many wineries are offering free (local) or low cost home deliveries, along with great discounts on wines.

Wineries are also offering curbside pickup if you call your order in by phone.
